❖ It Start

Basic knowledge of Photoshop and Word
09/2020 - 12/2020

❖ Creator It academy

Web Development (HTML,CSS,JS,React)
02/2021 - 5/2023

Projects

★ Creative Depo

It's a team, react project. During it we were practicing our skills in a team and were using scrum technology. It's a shop that sells different Ukrainian patriotic clothes. In this project I was developing a header element. There are different transitions and animations and adaptivity.
